The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Handkerchiefs The Gifts that Always Satisfy

Handkerchiefs may well be classed among the most popular gifts—popular with the gift buyer and always welcomed by the recipient. One reason for this is that no matter how many handkerchiefs a man or a woman may have he or she is always glad to get more.

For the Christmas season, we have assembled the very largest assortment of handkerchiefs that we have yet shown. Here are wonderfully sheer, dainty, lacy handkerchiefs, every one of which will make an acceptable present by itself. And here are other handkerchiefs so reasonably priced that you may give a dozen without going too deeply into your purse.
